Cards Removed ⊖ 3x4

Cards Added ⊕ 3x4

Recovery: When you play this card, this rider may immediately return recycled Exhaustion card from their Energy deck to the respective Exhaustion deck.

Description

This is someone who has no hope of doing well in the General Classification or other Jersey prizes, but is there to do the dog's-body work. If you are climbing hills or just going along a road, it is best if you have a cyclist in front of you breaking the wind.

Cards Removed ⊖ 1x3, 1x5, 2x6, 1x7

Cards Added ⊕ 1x5, 2x6, 1x7 ( )

Breakaway: When you play this card, none of the riders in this rider's square give slipstreaming this round, not even to other riders in the same pack.

Relentless: The rider that used this card does not receive an exhaustion card this round.

Description

They are not the top mountain climbers, but good enough to get their teams a lot of focus in race coverage. They go off on their own on mountain stages and will probably go over the tops of the first few mountains ahead, but are unlikely to finish the day ahead for the last mountain climb.
